All material facts must be disclosed to your brokers whether or not the subject of a specific question above. A material fact is one which an Underwriter would regard as likely to influence the acceptance or assessment of the proposal. Non disclosure or misrepresentation of a material fact may result in the insurance being void. If you are in any doubt about whether facts would be considered as material, you should disclose them.

I declare that the above particulars and answers are correct and complete in every respect to my knowledge and belief. I agree that a proposal form would need to be completed prior to placing of risk.

The submission of this form does not bind the Proposer to complete the insurance.
